Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes some effort to get there, but this is more than offset by the quality of the diving, the friendly locals ...

A 15 kW solar system can produce 15 kilowatts of power in a single instant. To understand how big this installation really is, consider that your laptop when it's plugged in and running uses about 30 watts, so a 15-kilowatt system (or to say it another way, a 15,000-watt system, since 1 kW equals 1000 watts) performing at its peak could power ...

IT'S NOT EVERY DAY YOU GET TO visit your home country's most remote territory--but "location, location, location" is my mantra for visiting a place as off-the-radar as Australia's Cocos (Keeling) Islands. Roughly halfway between Sri Lanka and the coast of Western Australia, this compact archipelago--two atolls and 27 coral islands--lies in balmy Indian ...
