

According to the two companies, their renewable energy projects would increase the amount of renewable energy in Europe's grid while reducing carbon emissions. In August 2022, the UK-based solar energy developer Cero Generation selected Ameresco Energy Hellas and Sunel Group as its partners for a 100 MW solar photovoltaic (PV) project in Greece.

SUNEL Group and Ameresco are excited to support Sonnedix in the construction of their largest project in the UK, boasting a massive capacity of 120 MWp! ... SUNEL Group has more than 10 years of experience in energy investments and mainly photovoltaic power plants. OPERATIONS HEADQUARTERS. Kyprou 17 & Irakliou Avenue 453 14122 Athens, Greece ...

Sonnedix is the owner of the portfolio and Ameresco Sunel Energy Ltd, a joint venture between Ameresco and Sunel, will serve as the design build partner. ... across Chile, France, Germany, Italy ...

In addition to the project with St. John's College Santa Fe, Ameresco has partnered with Sunel Group, an international developer and EPC contractor for energy projects, to bid on projects exceeding 1,5 GWp in the United Kingdom, Greece, Italy, Spain, and Romania.

Ameresco, Inc. and Sunel Group have established Ameresco Sunel Energy S.A., which has already been selected by Cero Generation, a leading European solar energy developer, as the contractor for ...

The partnership combines Ameresco and Sunel's extensive experience in engineering, procurement, construction, operation and maintenance of large scale photovoltaic and battery energy storage...

The firms have established Ameresco Sunel Energy to bid on engineering, procurement, and construction (EPC) projects in the UK, Greece, Italy, Spain and Romania. They did not reveal how much of the 1.5GW pipeline is expected to be solar versus storage. However, the UK's energy storage project pipeline is substantially larger than the other ...

Joint venture Ameresco Sunel Energy, the contractor, said it would complete the Enipeas plant of 560 MW in peak capacity in 18 to 24 months. The location is in the regional unit of Larissa in Central Greece and in Phthiotis (Phthiotida) in Thessaly. Read the ...

Ameresco, along with a partner, will install a 6.25 MW solar generation plant funded by the Department of Defense's Energy Resilience and Conservation Investment Program (ERCIP), which funds projects that improve energy resilience, contribute to mission assurance, save energy and reduce DoD's energy costs.

Global renewable energy producer Sonnedix has started construction of a 300 MW portfolio of five solar PV

Ameresco sunel energy Italy

projects which will contribute to the UK's supply of secure and clean electricity, generating approximately 300,000 MWh of renewable electricity per year, enough to power 85,000 UK homes and avoid 58,000 metric tons of CO2 emissions annually.

As part of the project, Ameresco SUNEL Energy S.A. - the joint company already established in Greece - will undertake the Engineering, Procurement and Construction (EPC) of the 100-MW solar PV park in Prosotsani Drama, Greece. The Delfini solar project is one of Greece's first solar projects to utilize a private power purchase agreement ...

An Ameresco solar PV plant project. Image: Ameresco. Renewable energy developer Ameresco and EPC contractor Sunel Group will together bid on 1.5GWp of solar and energy storage projects across Europe. The firms have established Ameresco Sunel Energy to bid on engineering, procurement, and construction (EPC) projects in the UK, Greece, Italy, ...

About Ameresco, Inc. Founded in 2000, Ameresco, Inc. (NYSE:AMRC) is a leading cleantech integrator and renewable energy asset developer, owner and operator. Our comprehensive portfolio includes energy efficiency, infrastructure upgrades, asset sustainability and renewable energy solutions delivered to clients throughout North America and Europe.

As part of the project, Ameresco SUNEL Energy S.A. - the joint company already established in Greece - will undertake the Engineering, Procurement and Construction (EPC) of the 100-MW solar PV park in Prosotsani Drama, Greece. The Delfini solar project is one of Greece's first solar project to utilize a private power purchase agreement that ...

US energy efficiency and renewables company Ameresco Inc (NYSE:AMRC) and EPC contractor Sunel Group have agreed to jointly bid on 1.5 GWp of solar and energy storage projects in the United Kingdom, Greece, ...

Renewable energy developer Ameresco and EPC contractor Sunel Group will together bid on 1.5GWp of solar and energy storage projects across Europe. The firms have established Ameresco Sunel Energy to bid on ...
