Now called Shift, the company formerly known as Sterling PlanB Energy Solutions (SPBES) held a news conference in London to announce the expansion of its markets beyond marine industries and to launch a one-of-a-kind, new pay-as-you-go energy supply service called PwrSw&#228;p.

While Sterling PlanB is widely known for its durable lithium-ion energy storage, most people don't know the history of the company; the backstory as it were. We don't brag about our achievements very much but it's important to note that the founders of Sterling PlanB started the industrial energy storage industry back in 2009. Before Tesla or the myriad of other ...
