What's a good experience with sunmate solar?

Sarah and Avi were very nice and polite. They helped us with various things. Sarah explained all the products to us very clearly and assisted us. She helped us connect the Wi-Fi and also assisted in resolving the inverter issue. I had a wonderful experience with Justin from SUNMATE Solar.

Why should you choose sunmate?

Sunmate provides quality solar products with multiple brand options suitable for all residential systems. We have proven our high performance and lasting reliability in the field, where it matters the most. Be ahead of the curve! Strong performance ensures reliable returns.

Is the Caribbean a good place for solar energy?

The Caribbean is blessed with vast and readily predictable solar resources. Yet almost all countries within the region depend on fossil fuels for more than half of their energy needs. The cost of energy in the Caribbean is amongst the highest in the world, while in some cases reliability is amidst the worst.
