We draw energy from the professional people in our team and pass it on to our beneficiaries. We give and receive ENERGY. Experience, state of the art machinery and a solar vision recommend us as a lider in renewable energy market. However our main asset are the people we work with, who give WALDEVAR Energy its true value.

With over a decade of experience in the Power and Automation industry, Cristian Dragomir is currently the CEO of WALDEVAR Energy, a leading renewable energy company. He has developed international expertise through key roles in major projects across Europe and the Middle East.
