

W. Giertsen Energy Solutions (WGES) is part of the W. Giertsen Group, founded 1875, Bergen, Norway. We have provided solutions to the humanitarian and development sector for over 45 years with an expanded focus toward the Commercial and Industrial sectors.

At W. Giertsen, we know that protection can mean many things. Water and frost protection of rock chambers and tunnels. Cooling and other renewable energy solutions in developing countries. Tent and event solutions here in the country, and cleaning of clean water tunnels and reservoirs with specially developed robots.

W. Giertsen Energy Solutions is the reliable and cost-efficient choice over the complete system lifetime no matter how challenging your project is. We're just one click away to help you take your brand or product from great to incredible. Email or call our offices to share more details about your project. Or your experience with renewable energy.

We focus on delivering cost-efficient energy solutions, and give people and businesses access to electricity in challenging environments. We are here to solve energy challenges with an emphasis on low-life-cycle-cost systems and higher quality.
