

Cellblock battery Mozambique

What is a cellblock FCS battery case?

CellBlock FCS battery cases provide a safe, reliable, and compliant way to send batteries from point A to point B. In the event of a thermal runaway, our battery storage and transportation cases don't just contain battery fires; they completely suppress them with the help of our proprietary dry fire extinguishing media, CellBlockEX.

Does Safeware offer cellblock fire suppression products?

Contact a Safeware sales representative today to inquire about Cellblock fire suppression products. CellBlock Fire Containment Systems offer innovative lithium-ion battery fire suppression solutions. Request a quote now on CellBlockEX extinguishing agent.

Who uses cellblock?

Our team of safety consultants and experts provide premier customer service and product support. The CellBlock brand is trusted worldwide by airline crews, mining companies, battery recyclers, technology labs, hospital staff, transportation professionals, and more. If playback doesn't begin shortly, try restarting your device.

How does cellblockex work?

The inner CellBlockEX loose-fill will be released, smothering the burning object, extinguishing the fire and consuming smoke and fumes. This is our standard Fire Shield Blanket and is appropriate for consumer devices such as phones, tablets, and laptops.

What is the difference between a cellblock Micro Case and a Max case?

The CellBlock Micro Case is perfect for shipments of smaller device batteries. Our Max Case is designed to safely store heavy machinery batteries. Plus, we've got storage and transportation cases for every size in between. CellBlock FCS can even customize our cases to fit your exact specifications. Name of sales person, if applicable.

What is a cellblock FCS steel drum?

CellBlock FCS steel drums represent a best-practice method for transporting used, spent, damaged and prototype batteries. Lined with CellBlockEX loose-fill in the perimeter and the base, these provide a higher level of safety than standard drums in Hazardous Materials Regulations (HMR). Shop all products from Cellblock.
