

Christmas Island best battery home

Why did we install solar & battery storage systems on Christmas Island?

Christmas Island - home to the greatest migration of red crabs in the world, and an island that is almost all national park. We installed solar and battery storage systems at two sites on Christmas Island for Parks Australia to provide clean power to their main headquarters and research field station.

Does Christmas Island National Park have solar & battery storage?

Solar and battery storage for Christmas Island National Park. Christmas Island - home to the greatest migration of red crabs in the world, and an island that is almost all national park.

Which batteries are AC-coupled?

AC-coupled batteries include the Tesla Powerwall 2 and the Enphase IQ 5P. Some brands offer both AC- and DC-coupled versions of their batteries, allowing for greater design flexibility. The Panasonic EverVolt and the Qcells Q.HOME CORE have both coupling options. The warranty is important to understand when investing in battery storage.

Are batteries a good investment?

Batteries can also be helpful in areas where solar buyback rates are low, net metering is not available, or utilities require time of use rates. In these cases, batteries can save a bit of extra money on your utility bill, but the savings are likely too low to ever see a real return on your investment.

What makes a battery a good battery?

Generally, batteries with a higher depth of discharge are considered higher-quality products. The Panasonic EverVolt doesn't list a depth of discharge on its spec sheet, but the EverVolt 2.0 boasts an impressive DoD of 100 percent. Roundtrip efficiency is a measure of electrical losses involved with charging and discharging a particular battery.

I'm trying to pin down the defenses of Christmas Island before it was taken by the Japanese. I know it had a 6" gun as a shore battery (looks like a 6"/50 (15.2 cm) BL Marks XI) with a gun crew of 1 Officer, 4 NCO's and 27 gunners from the Hong Kong and Singapore Artillery Regt. There was also a detachment of volunteers numbering 41 men.
