

We hebben zonnepanelen geïntegreerd in de structuur van de container, waardoor deze altijd en overal zonne-energie vastlegt. Een baanbrekende ontwikkeling voor branches als de petrochemie, bouw, infrastructuur en festivals. Met het Plug & Play ontwerp van de container is de installatie moeiteloos en zijn de mogelijkheden grenzeloos.

APM Terminals Bahrain, the operator of Khalifa Bin Salman Port, has announced the launch of a ground-breaking solar power project worth approximately BD3.8 million (\$10 million), which will make the port energy self-sufficient by the end of 2023.

APM Terminals Bahrain, the operator of Khalifa Bin Salman Port, will launch a ground-breaking solar power project worth approximately US\$10 million, which aims to make the port energy self-sufficient by the end of the year.

APM Terminals (APMT) Bahrain, which operates Khalifa Bin Salman Port, has launched a solar power project worth BHD3.8m (US\$10m), aiming to make the port energy self-sufficient by the end of 2023. The terminal will reduce its carbon emissions by 65% while also securing a reliable and sustainable source of energy, effectively making the port the ...

APM Terminals Bahrain, the operator of Khalifa Bin Salman Port, has officially announced the launch of a ground-breaking solar power project worth approximately BHD3.8 million (USD 10 Million), which will make the port ...

Khalifa Bin Salman Port, operated by APM Terminals Bahrain, announced the onboarding of Bhageria Industries, a prominent player in the renewable energy sector for the revolutionary solar power project after a public tender process.

APM Terminals Bahrain, the operator of Khalifa Bin Salman Port, has officially announced the launch of a ground-breaking solar power project worth approximately BHD3.8 million (USD 10 Million), which will make the port energy self-sufficient by the end of 2023.

This renewable energy source will produce clean and sustainable energy for powering various port operations, including container handling, crane operations, and lighting, setting an example for...
