

Cost of off grid solar system Guam

Guam and Micronesia's source for residential and commercial green energy solutions. We design and build high-efficiency, cost effective solar panel systems. Lower your carbon foot print, increase the value of your home or business, and SAVE MONEY!

Pacific Solar & Photovoltaics will design, supply, and install a renewable energy system to suit your needs. Structurally engineered with materials chosen to withstand the tropic conditions. All products are US made and UL listed.

BMA Supplies is a small business solar and renewable energy company dedicated to transforming Guam's energy landscape with our OFF GRID/HYBRID Systems. We specialize in designing, installing, and maintaining solar power systems for the people of Guam.

We offer home solar and battery storage across Guam protected by our leading 25-year warranty. Learn more about GU home solar panels, incentives, cost, tax credits, rebates, frequently asked questions, and savings.

Use our solar calculator to see what size system you need for your home. Contact us today to schedule a free site inspection to get started on saving you cash in your pocket, switching to clean renewable energy and making our island a greener place one roof at a time!
