

Delta Energy Systems provides clean and energy solutions. They offer power supplies and smart battery chargers for your application. They offer server and networking power solutions. They offer data center solutions, telecom power, automotive, ...

Delta Energy Systems (Germany) GmbH is belonging to Delta Electronics. Delta, founded in 1971, is a global provider of power and thermal management solutions. Its mission statement, "To provide innovative, clean and energy-efficient solutions for a better tomorrow," focuses on addressing key environmental issues such as global climate change.

Delta Energy Systems is a company that develops customized power supplies and battery chargers for users' applications. It offers sales and engineering service for various business segments: automotive products (in particular products for e-mobility), networking and data center power solutions, industrial, medical, and electric vehicle power.

Delta Group has 176 sales offices, 38 plant sites, and 75 R& D centers, with over 9,000 R& D engineers throughout the world. As a gateway to Asia, India, Australia and Europe markets, Delta Group synergizes advanced technologies and ultra-efficient production between European and Asian subsidiaries to power our innovation and competitiveness.
