Generac started in the late '80s and quickly became one of the best-selling and most popular power generator brands in the world. Generac generators deliver great value and come in a variety of styles to accommodate different applications including home standbys, commercial standbys, portables, and towable generators and light towers.

From standby generators for homes and power for businesses and data system hubs, to small, portable systems for work sites and travel, Generac offers something for all. AP Electric & Generators is proud to sell Generac products to meet your needs, and we've been doing so for the last 20 years.

The Bulli Creek solar park is part of the larger Bulli Creek solar-plus-battery scheme. Genex Power, a renewable energy company, acquired the scheme in 2022 and will co-develop it with Japan's J-Power and Solar Choice. The solar park will have a capacity of up to 775 MW. The project's first stage will have a capacity of between 450 MW and 775 MW.
