Who is Oolu solar?

Oolu was one of the first firms to successfully scale PAYG solar technology in the West African market. The company has grown from start-up to market leader in Senegal, Mali, Burkina Faso and Niger with operations in Nigeria. In 2021, the company raised US \$8.5 M in series B funding led by RP Global, an Austrian-based energy investor.

Why should you choose Oolu solar home systems?

Oolu's solar home systems provide households with brighter, more efficient lights and in-home chargers at a small fraction of their standard monthly energy expenditure. We replace dim, low-quality flashlights and lamps with the best technology available.
