SolarHome Asia. SolaRiseSys. South East General Energy & Power (SEGEP) Southern Coastline Group. Southern Myanmar Development.

Distributed renewable energy is gaining more ground in meeting electricity demand, but supply chains and access to finance are impediments to further scale up. The energy shortage is affecting all walks of life across the country. Power outages in Yangon have caused long queues at the compressed natural gas (NG) filling stations.

The oil industry in the United States has been the subject of innumerable histories. But books on the development of the natural gas industry and the electricity industry in the U.S. are scarce. ...
