

Eurener solar panel Sierra Leone

Are eurener photovoltaic modules high quality?

HIGH-QUALITY MODULES TESTED During these 26 years of experience, we have developed a production process and know-how that has resulted in a certified product of high quality and multiple applications. Eurener photovoltaic modules have passed all the main European tests in terms of durability and performance.

Why should you choose eurener solar panels?

Eurener photovoltaic modules have developed to become not only one of the most efficient, but also one of the most environmentally friendly options on the market. Pure power. Pure elegance. The perfect fusion of the latest technologies in a versatile panel, ideal for different types of solar installations.

Where is eurener based?

Calle Colón 1-23. 46004 Valencia, Spain. The Eurener team mourns and stands in solidarity with the victims of the catastrophic rains that have hit the province of Valencia. Our heartfelt message of support goes out in particular to our colleagues and to all those who are facing these difficult times.

Is eurener a sustainable company?

At Eurener, sustainability is not just a slogan, it's our philosophy. Our photovoltaic modules are not only among the most efficient but also the most environmentally friendly. To ensure that our commitment to sustainability meets international standards, we work with independent organizations such as EcoVadis.

Do eurener modules have a warranty?

Eurener modules are designed to last, thus making a profitable investment and providing energy for decades. That is why we offer warranties above the market average. With over 26 years of experience, Eurener is a pioneer in the manufacture of photovoltaic modules.
