

About Gibraltar Gibraltar Industries is a leading manufacturer and provider of products and services for the renewable energy, residential, agtech and infrastructure markets.

Gibraltar serves customers primarily throughout North America. Comprehensive information about Gibraltar can be found on its website at gibraltar1.com. Media Contact: Ashleigh Kent, akent@terrasmart.com. Utility industry news and analysis for energy professionals.

BUFFALO,N.Y. -- Nov. 8,2021-- RBI Solar,SolarBOS,Sunfig and TerraSmart,all part of the renewable energy group of Gibraltar,(NASDAQ: ROCK),today announced they are unifying under a shared brand,Terrasmart,to deliver a seamless customer experience through integrated product lines and services.

Gibraltar has paid USD 228.2 million to take possession of TerraSmart, which offers solar racking technology mostly for projects with challenging terrain specifications. Based in Florida, the company has field operations in Arizona and New York and owns a manufacturing base in Columbus, Ohio.

With a combined installed capacity of 19 GWs across 4,600 projects, now officially working as a single entity with a snazzy new logo, this new mega Terrasmart arguably represents the most complete single provider for C& I and utility-scale solar solutions across a project lifecycle.
