Off-grid solar products provider Greenlight Planet Inc has raised USD 60 million (EUR 51m) in equity and debt from a group of investors led by London-based private equity fund manager Apis Partners LLP.

Founded in 2007 as Greenlight Planet, the company recently rebranded as Sun King, the name under which its products have long been sold. Sun King is helping to lead a transformation in how electricity is provided across Africa and Asia, where 1.8 billion people still lack access to a reliable electrical grid.

Sun King (Greenlight Planet) designs, distributes and finances Sun King solar home energy solutions to households and businesses who lack reliable access to the grid. Since its founding in 2008, the company has become a leading global provider of solar home energy products to over 45 million rural consumers in collaboration with 300 partners ...
