Who is Guernsey energy?

From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group. We've been providing energy solutions to the Channel Islands for almost 200 years.

What is the energy strategy for Guernsey?

The Committee for the Environment & Infrastructure is developing an Electricity Strategy for Guernsey. The strategy will consider expected future energy demand levels and set out how this demand could be met, whilst also reviewing how the market structure will need to change to support this.

Will Guernsey's Electricity strategy be debated in July?

Guernsey's electricity strategy is expected to be debated by politicians in July. Follow BBC Guernsey on Twitter and Facebook. Send your story ideas to channel.islands@bbc.co.uk. The current deal for electricity supply with French energy supplier EDF is set to run out in 2027.

Where does Guernsey's Electricity come from?

Currently around 93% of Guernsey's electricity is sent through a cable via Jersey, from France. Mrs de Sausmarez disagreed with Mr Moulton's approach and said E&I was not asking the States to approve a second undersea cable at this stage.

Why should Guernsey invest in offshore renewables?

Establishing an environment for the development of on-island (including offshore) renewables will support the diversification and vibrancy of Guernsey's economy. A shift to decarbonisation in Guernsey will be an essential reputational advantage to support the growth of the green finance sector.

Guernsey has a long history in the performance of projects related to power and energy. Our understanding of and passion for the systems and facilities related to power transmission and distribution makes us a unique fit to assist this industry.

We've been providing energy solutions to the Channel Islands for almost 200 years. Do you want to learn how you can save on your energy costs with Guernsey Energy? visit our website and view & buy our products or services.
