There is a locally owned solar supply company called: Inter Island Solar Supply. We went there and started asking questions, they work with dang near every solar installer in the state so we had a good selection of contractors to chose from. They don't do installation so the recommendations didn't feel biased or skewed ????

Inter-Island Solar Supply is one of the oldest and most experienced renewable energy equipment distributors in the world. Incorporated in Oahu, Hawaii in 1975, Inter-Island operated continuously under the same ownership until September 2014. The founder, Cully Judd, and President, Richard Reed, led the company through an ESOP transaction which ...
