Who are Manx solar electrical?

Manx Solar Electrical are the Isle of Man's exclusive Stiebel Eltron service partners. We are also a Mitsubishi ASHP service partner and Dimplex approved and accredited installers. Our engineers install high performance JA Solar /REC and Sun Power solar modules together with SolarEdge optimisers and inverters.

Is it time to install solar panels in the Manx?

Even on a bright Manx winters day a panel can generate a considerable amount of electricity (perhaps 30% of capacity). There is something very satisfying about receiving an energy bill from Manx Utilities which is not only zero, they might pay you because of excess energy sold to the grid. There has never been a better time to install solar.
