Somos o Primeiro Lugar! ? Os dados coletados pela Greener mostram que no 1º semestre de 2024 a JinkoSolar foi o primeiro fabricante de módulos fotovoltaicos no Brasil em volumes ...

JinkoSolar, a global leader in the photovoltaic industry, has signed a memorandum of understanding (MoU) to partner with the Kazakhstan's International Center for Green Technologies and Investment Projects on solar power development, the company has announced in a statement.

The project in the southern Zhambyl region is the second phase of the 50-MW Burnoye Solar-1, described as Kazakhstan's first utility-scale renewable energy project. The entity behind the two projects is a joint venture between UK-registered investment firm UG Energy Ltd and Samruk-Kazyna Invest, a division of the sovereign wealth fund of ...
