Are rise solar a good company?

Arise solar were amazing and very helpful the service person was so helpful and made you feel valued . I would recommend Arise to anyone wanting solar Both Nancy and Symon were very professional with the installation and support with our solar system. Very happy customers. Arise solar great experience. To easy to upgrade solar.

Does rise solar offer a warranty?

Arise Solar operates customer care centres in all major cities with extended contact hours. Every Solar PV System that we provide comes with a 10 year workmanship warranty that protects you from any defects resulting from improper installation. This is more than twice the average cover that most PV contractors offer.

What's a good experience with rise solar?

I had a fantastic experience with Arise Solar, especially with Symond, during the entire inverter replacement process. Symond was incredibly helpful, patient, and thorough in explaining everything clearly. His guidance and support made the process smooth and hassle-free. Highly recommend their services! Show reply
