For his part, Vigas Purvinys, a farmer who also leases land for a solar park, feels that in addition to the financial benefits, there is also a moral satisfaction. "I am just happy that I can at least contribute to the development of solar energy in Lithuania in this way. It is progress, and it is the cleanest energy we can produce ourselves.

Massachusetts ranks in the top 5 states for installed solar capacity per capita but benefits are not distributed equitably Only 5.9% of projects participating in MA's current solar incentive program are serving low-income households OPPORTUNITY \$156M Solar For All is a unique opportunity to fund programming
