

Benin has its fair share of energy challenges. Only a third of the nation's population has access to electricity, frequent outages disrupt service, over 80 percent of the nation's electricity is imported, wood remains a prime source for cooking, and a changing climate means higher temperatures and even greater strains on the nation's ...

(Agence Ecofin) - Au Bénin, quatre fournisseurs de solutions solaires ont signé avec le Millenium Challenge Account, un accord pour la fourniture de solutions solaires de 172 000 personnes. Il s'agit de BBOXX, du groupe formé par Aress et MyJouleBOx, de Lagazel et du consortium formé par Axcon Energy, Advocacy et ALID.

This MCA-Benin II program, in collaboration with local authorities in Benin, provides a structured regulatory framework to promote investment from private players such as NEEOT Offgrid Africa. We hope that this initiative will give rise, in Benin and elsewhere in the region, to other electrification programs using decentralized solar energy as ...
