What will New Zealand do with the Niue ocean wide trust?

The project will bring Niue's renewable generation to 80 percent. New Zealand will also commit \$2 million to the Niue Ocean Wide Trust, which aims to develop a blue economy and ensure long-term ocean conservation and climate resilience.

Which countries are funding infrastructure in Niue?

New Zealand is the dominant funding partner for infrastructure in Niue, but there are a number of other countries such as Australia and Japan which have funded facilities, he said.

Does Niue have a wharf?

Niue is undertaking feasibility work on its wharf which was built in the 1930s to work out what was needed, he said. It can be difficult to get boats in and out of Niue in bad weather, Luxon said. The wharf and the runway were both critical pieces of infrastructure and how Niue stayed connected to the world, he said.
