Supports multiple battery cabinets connected in parallel. The built-in communication can comprehensively ensure the safety of the whole battery cabinet. The battery cabinet is easy to install and can be flexibly configured, thus significantly shortening the installation time. LiFePO₄ LFP Long Life High Safety Battery Temperature

Delta's Li-battery storage system features high-voltage output for enhancing the efficiency of energy management. With its scalable and anti-corrosion capabilities, Delta's battery system can meet project requirements of varying scale and is suitable for various environmental conditions, making it an ideal solution for grid ancillary services and C& I applications while ensuring ...
