A Solar Energy Company with a passion to create a clean and sustainable future. Premium Solar Energy focus on the needs and requirements for Solar Energy and how to fit it into a budget with quality and newest technology. We understand that the decision to switch to Solar Energy is an Investment decision and honour it as such.

Who are premium solar solutions?

We source and only supply products from manufacturers with warranties that you can rely on. Our installations are supervised by SAPVIA accredited technicians and a COC is provided when required. At Premium Solar Solutions, we are committed to helping South Africans take control of their energy future.

Should I choose premium solar?

I would highly recommend Premium Solar to anyone considering solar or backup systems. From the very beginning, the Premium Solar team were friendly and really took the time to help us figure out how to "right-size" our system between (a) the available budget and (b) our household consumption.
