

Pylontech europe Denmark

Who owns pylontech Europe?

It's jointly owned by Pylon Technologies Europe Holding B.V. ("Pylontech EU"), a company incorporated under Dutch law wholly owned by Pylontech, and Energy S.p.A. ("Energy"), who have been in cooperation for ten years with shared commitments to promote renewable energy and decarbonization initiatives.

Who is pylontech?

For more information, please review our Cookie Policy. Pylontech is the world's leading battery energy storage system supplier. Pylontech offers products and solutions for all scenarios, including residential, utility, C&I and so on. Pylon Technologies Co., Ltd.

What are pylontech products?

The company's products include lithium-ion batteries, energy storage systems, and battery management systems. One of Pylontech's standout products is its US2000B Plus lithium-ion battery, which has become popular for its high performance, long lifespan, and ease of installation.

Why did pylontech choose Veneto?

Said Geoffrey Song, vice president of Pylontech, "We picked up Veneto as the starting place which enjoys both long time wisdom from Galilei and fresh friendship from Energy. I believe in the super bright future of renewable energy industry in EU by leveraging the global wisdom and local resources."

SolarPower Europe has published its new market intelligence report, the European Market Outlook for Battery Storage 2024-2028. The report illustrates the state of play of battery storage across Europe, with updated figures on annual and total installed capacities up to 2023 and a forecast of future installations under three scenarios until 2028.

MUNICH, June 21, 2024 /PRNewswire/ -- Pylontech, a global leading ESS provider with over 10 years of successful experience in the energy storage market, launches its new generation of residential storage solution, Force H3X, at Intersolar Europe 2024..
