RIC Energy is an independent group and a leader in the development of multi-technology renewable energy projects. With a clear strategy focused on establishing itself as a selective Independent Power Producer (IPP) in mature technologies and markets, the company operates across four continents with a development and construction portfolio ...

Colleen's decision to buy land and build her home on Norfolk Island was prompted by her distaste for the fame game. She found Norfolk a quirky backwater, with a fascinating convict history and a culture influenced by the descendants of the Bounty mutineers who had made the island their home in the mid-nineteenth century. The remote location ...

LOS ANGELES, CALIFORNIA (10.XX.24) - Cadiz, Inc. (NASDAQ: CDZI / CDZIP), a California water solutions company, and RIC Energy, a global renewable energy developer, announced today they have entered into an agreement to build California's largest green hydrogen facility at Cadiz Ranch in the Mojave Desert.
