Does Rwanda need solar power?

The government of Rwanda provides its contribution support to the service company through its national environment and climate change fund called FONERWA. However, many other provinces need highly reliable, green energy, and affordable solar power, especially in rural areas.

Why did France fight in Rwanda during the Civil War?

French activity in Rwanda during the civil war later became a subject of much study and dispute, and generated an unprecedented debate about French foreign policy in Africa. Having completed the encirclement of Kigali, the RPF spent the latter half of June fighting for the capital.

Does Rwanda want a multiparty state for Hutu & Tutsi?

Biles, Peter (4 October 1990). "Rwanda calls for aid to halt rebels". The Guardian. London. Archived from the original on 1 October 2018. Retrieved 17 October 2018. Bonner, Raymond (7 September 1994). "Rwanda's Leaders Vow to Build a Multiparty State for Both Hutu and Tutsi".

Why did Rwigyema and Kagame decide to invade Rwanda?

Realising the precariousness of their own positions, the opportunity afforded by both the renewed drive of refugees to leave Uganda, and the instability on the Rwandan domestic scene, Rwigyema and Kagame decided in mid-1990 to effect their invasion plans immediately.

En 1997 : les cellules photovoltaïques à haut rendement de SunPower alimentent l'avion solaire sans pilote Pathfinder de la NASA. En 2007 : SunPower lance la production en série de sa cellule PV qui atteint un rendement de conversion moyen de 22,4 %. En 2008 : Rendement record de 23,4 % pour ses cellules en silicium monocristallin SunPower.

Service: Civil Works & Electromechanical Installation. Type: On-grid solar. Location: Eastern Rwanda. Client: Leading the development was the Norwegian solar company Scatec Solar and Gigawatt Global, a solar developer from the Netherlands. The solar tracking system is handled by

Dans cette affaire (Cass, 1^{ère} civ, 19 avril 2023, n[°] 21-23.726, publié au bulletin), la société GDF SUEZ (ENGIE) avait confié la réalisation d'une centrale de production d'électricité photovoltaïque à la société SMAC, qui ...
