A stay in an archipelago is a trip with drawers, especially in Saint-Pierre and Miquelon where the islands are so close and so easy to access in the summer season. From one island to another, the atmosphere and landscapes change and each time it is a new experience completely different from the previous one. A piece of advice that cannot be ...

A ten-minute boat ride away, Île aux Marins is an excursion not to be missed. This small island is a witness to the history of fishing in Saint-Pierre-et-Miquelon. Since the 19th century, the village of Miquelon has been the center of the archipelago's agricultural activities, with farming and livestock, but also a mecca for coastal fishing.
