

What does the military do in San Marino?

Its members are full-time and have responsibility for the protection of citizens and property, and the preservation of law and order. The entire military corps of San Marino depends upon the co-operation of full-time forces and their retained (volunteer) colleagues, known as the Corpi Militari Volontari, or Voluntary Military Force.

What is a military ensemble in San Marino?

Military Ensemble music accompanies most state occasions in the republic. Established in 1842, the Gendarmerie of San Marino is a militarised law enforcement agency. Its members are full-time and have responsibility for the protection of citizens and property, and the preservation of law and order.

How does San Marino make money?

Tourism and banking are the country's main sources of revenue. San Marino is a developed country, and although it is not a European Union member it is allowed to use the euro as its currency by arrangement with the Council of the European Union; it is also granted the right to use its own designs on the national side of the euro coins.

Does San Marino have a VAT system?

Under the European Union customs agreement, San Marino import tax is considered equivalent to the European VAT system. A separate tax on services, with a rate of 3%, has been introduced in 2011. The introduction of a true VAT system, not dissimilar from the European one, is under development.

How is San Marino governed?

Uniquely, San Marino's constitution dictates that its democratically elected legislature, the Grand and General Council, must elect two heads of state every six months. Known as the Captains Regent, they serve concurrently and with equal powers. The country's economy is mainly based on finance, industry, services, retail, and tourism.
