Wide Compatible: Large size outdoor electrical box(12.5 x 8.5 x 5 inches) which can protect your power strip, timer outlet, bulky adapter and more outdoor/indoor electrical connections. The 6 cable seal ports can allow maximum 6 cords input/output. Each port is compatible with AWG12/14/16 cord, flat cable and braided wire.

IP55 rated waterproof protection: keep electrical connections safe and dry in any weather condition, ensuring continuous operation and safety; Patented, easy-access design: features an innovative interlocking lid that seals tightly around cords, ...

Outdoor electrical junction boxes are designed to keep sensitive electrical connections protected and secure in any environment, even underground. Meeting a variety of NEMA and IP ratings ensures our waterproof junction boxes are robust and durable for outdoor use, but they can also be used for indoor applications.
