

In this regard, some ESS members, including the President of this society, have received several patents for products that contribute to the achievement of certain ergonomic goals. In order to spread scientific and professional thought, the ESS President launched a new ergonomic journal, called IETI Transactions on Ergonomics and Safety.

There are certain new developments related to employee share schemes ("ESS") in Serbia that could finally lead to enabling of application of foreign companies' ESS to Serbian employees as well. Foreign companies commonly expressed interest to offer some form of ESS to the employees engaged in their subsidiaries in Serbia, allowing them to ...

Die Firma ESS-Systeme GmbH & Co. KG wurde im Juli 2008 gegründet. Da sich die Firma Oswald-IT, ein kleines IT-Systemhaus, des Firmengründers Martin Oswald immer mehr mit Videoüberwachung und elektronischen Zutrittskontrollsystemen beschäftigte, reifte der Gedanke, diese Bereiche in eine eigene Firma auszulagern.

Last April, Serbia switched on its largest utility-scale solar project, the 9.9 MW DeLasol PV project in Lapovo, central Serbia. Presently, the country is looking to introduce new renewables-related regulation. Under the ...

The ESS, as it is known, is the most comprehensive cross-national survey that measures the attitudes, beliefs, and behavior patterns of the European population. I wanted to talk to him to understand what the ESS means for the Serbian research community and its significance for evidence informed policy making in the country.

In the latest European Commission report Serbia was praised for international cooperation in science and research. It was particularly noted Serbia's successful participation in Horizon 2020, along with membership in CERN (the European organisation for nuclear research) and ESFRI (European Social Survey research infrastructure).

ESS Systeme Unter dem Schlagwort ESS (Energy Storage System) verbirgt sich eigentlich keine Insel, sondern ein Speichersystem, dass in mehreren Varianten in einer PV Anlage eingebunden werden kann und ihr Haus ohne oder mit Netz bei Stromausfällen versorgen kann.

What is employee self service? Employee self-service (ESS) is a web-based technology within company HR systems that empowers employees to manage personal information, access resources, and perform administrative tasks ...

The European Social Survey European Research Infrastructure Consortium (ESS ERIC) has accepted Serbia as its 27th member. The ESS ERIC General Assembly approved a membership application submitted by the Serbian Ministry of Education, Science and Technological Development.

Was ist Employee Self Service (ESS)? Employee Self Service (ESS) bezieht sich auf ein System, das es Mitarbeitern ermöglicht, auf bestimmte Informationen und Prozesse innerhalb des Unternehmens zuzugreifen, ohne dabei auf die ständige Unterstützung der Personalabteilung angewiesen zu sein.

as the adoption of the European statistical system (ESS) strategy that is elaborated in the ESS Vision 2020. Strengthening Statistical System of Serbia By UPGRADING METHODOLOGIES AND STATISTICAL DATA PROCESSING OF GOOD PRACTICES

Serbia eventually adopted the decision to join the ESS ERIC as a full member, after having participated in two ESS rounds (2018/19 and 2020-21) under guest status. With this, Serbia has become the first member of the ESS ERIC in the Western Balkans. Given the significance of this step for the Serbian
