

Solar companies in ibadan Malawi

Since our foundation in 2009 the company has evolved to one of the major suppliers of solar power solutions in Malawi. We have installed and high-end solar systems and power back-up systems to reputable health clinics, schools, lodges, companies and private housing estates.

From cost-effective solar lanterns and home systems that provide entry-level access to electricity to powerful, multi-kilowatt-scale solar systems that offer power equity with the traditional electrical grid, Sun King's products meets diverse power and light needs across Africa and Asia.

Since our foundation in 2009 the company has evolved to one of the major suppliers of solar power solutions in Malawi. We have installed and high-end solar systems and power back-up systems to reputable health clinics, schools, ...

Kumudzi Kuwale seeks to change this by providing solar energy solutions to private customers, businesses, organizations and institutions across Malawi, ranging from small, hand-held solar torches to large systems for off-grid businesses and solar water pumping.
