

Solar energy Trinidad and Tobago

Who is building the largest solar project in Trinidad and Tobago?

Today, the Government of Trinidad and Tobago has officially given the green light to project partners, bp, Shell and Lightsource bp to begin construction of the largest solar project in the Caribbean.

Is Trinidad ready for more solar power?

Every person involved in the process has certified solar installation training. Didn't know that was a thing in Trinidad, right? We're definitely ready for more solar power to make a better, more eco-friendly and sustainable world for us all. We understand that solar power is a bit more expensive than other power systems.

What is Lightsource BP's Solar Project in Trinidad and Tobago?

The proposal involves a consortium of Lightsource bp, bp and Shell working together to develop a solar installation that will have an output power capacity of 92MW (Megawatts) in Trinidad and Tobago. Watch a summary of activity from our worldwide solar development projects in 2023, as we work towards achieving our target of 25GW by 2025.

What is Lightsource doing in Trinidad and Tobago?

Learn more about some of our projects, our partners and the benefits we're bringing to businesses and communities in Trinidad and Tobago. The proposal involves a consortium of Lightsource bp, bp and Shell working together to develop a solar installation that will have an output power capacity of 20MW (Megawatts) in Trinidad and Tobago.

How much solar power will the Caribbean have?

The two sites will have a combined capacity to generate a total of 112.2 MW of solar electricity, more than the total generating capacity of most islands in the Eastern Caribbean. This will be the largest solar project in the Caribbean when complete.

Why should you choose Trifactor solar?

WHY CHOOSE US? Trifactor Solar is comprised of persons who have established their competence and good reputation in the respective fields undertaken by the company. They deliver, in no small measure, a wealth of knowledge, skills, experience and commitment to get the job done.
