

Solar power generator for home use Guam

Our Solar Generator is an off-grid/hybrid solar system. It's an energy system that generates electricity from solar panels and stores excess energy in batteries for later use, while powering your home. Our Off Grid/hybrid system can be completely independent from the local power grid. However, you can still be connected to the grid as a back up ...

Draw power from your DELTA Pro(s) to power your home during peak rate hours, lowering your bills and reducing pressure on the grid. Use low-cost or renewable energy during off-peak hours to recharge your DELTA Pro(s).
