

StB Giga is a joint venture between StB Capital Partners and Oli Power - leaders in the Asia-Pacific energy transition. Our pioneering 2GWh per year factory is transforming the Southeast Asian energy storage landscape by producing advanced Lithium Iron Phosphate (LFP) batteries for residential, industrial, and utility-scale Battery Energy Storage Systems (BESS)

President Ferdinand R. Marcos Jr. on Monday, September 30 led the inauguration of StB Giga Factory, the Philippines' first manufacturing plant for advanced Lithium Iron Phosphate (LFP) batteries, at Filinvest Innovation Park, New Clark City, Tarlac. President Marcos Jr. was joined by Australian Ambassador to the Philippines Hae Kyong Yu, Trade ...

Filinvest Innovation Park in Filinvest New Clark City (FIP-NCC) marked the official turnover of two ready-built factories (RBF) to STB GIGA, the newly established Philippine entity of StBattalion and St. Baker Energy Innovation Fund. This handover signifies the commencement of STB GIGA's move-in process, paving the way for their EV battery manufacturing facility within the [...]

Aside from the Philippines, StBEIF will be ready to export globally, including neighboring ASEAN countries, Australia, US and India. "StB Giga-Factory is positioned to capture the once in a century transition towards a renewable energy electricity system, in which lithium-ion batteries are expected to play a pivotal role," St Baker said.

St Baker, through a company called StBattalion, will hire 150 Filipino engineering, technical, finance and administrative personnel at the StB Giga-Factory. Article continues after this advertisement

MANILA, Philippines -- President Ferdinand Marcos Jr. on Monday inaugurated the country's first lithium battery factory in Tarlac province. Marcos said the opening of StB Giga Factory

MANILA, Philippines -- StB Giga Factory Inc. is planning to expand its battery manufacturing capacity in the country by adding two new factories. In a briefing, StB Giga Factory business ...

"Once StB Giga reaches its target capacity, the company will have invested around US\$35 million in the Philippines," he said. BCDA chief Bingcang said the inaugurati#173;on marks a transforma#173;tive milestone for StB Giga Factory Inc. as it contribute#173;s to the advancemen#173;ts of sustainabl#173;e energy in the Philippine#173;s.

StB Giga Factory Inc, an Australian-Chinese joint venture, has officially opened a PHP-7-billion (USD 124.6m/EUR 112.2m) production complex for lithium iron phosphate (LFP) batteries in the Philippines, which will serve ...
