

Jiangsu SOKOYO Solar Lighting Co., Ltd. | 1,352 followers on LinkedIn. Light up every road back home | In 2008, SOKOYO was founded with a clear focus on solar street lights products.

In 2008,SOKOYO was founded with a clear focus on solar street lights products. Since then,more than 70 million yuan have been invested in the establishment of state-of-the-art production bases for solar panels,LEDs,light poles,gel batteries,and lithium batteries,covering an area of 40,000 square meters.

In recent years,SOKOYO has exported hundreds of thousands of solar street lights to Nigeria,Tunisia,South Africa,Djibouti,Cameroon,Benin,Zimbabweand other countries.

Throughout our journey, SOKOYO has remained dedicated to the development and design of cutting-edge solar street lights, and we have excelled in this field. To date, we have successfully installed over 100 million sets of solar street lights worldwide, each having withstood rigorous inspections across diverse environmental conditions.

In SOKOYO,our team comprises more than 150highly skilled professionals,including 30 Technology R&D engineers and over 50 domestic and foreign trade sales staff. This ensures that we consistently provide top-notch products and solutions to our valued customers.
