Timor-Leste won the battle of independence, Timor-Leste won the battle of democracy, Timor-Leste now has to win the battle of development, and I am comforted by seeing the commitment I heard here from the ladies and gentlemen in this regard. Timor-Leste is an important example of people-centred development.

Since then, much has improved. Yet only a few battery storage devices, including the SOLARWATT MyReserve, have sought stringent external certification to prove that they meet all the safety norms of the KIT guidelines.

Team Timor-Leste and U.S. Navy Seabees work together to deliver picnic tables to several community organizations in Timor-Leste Jan. 5. Task Force Oceania complements the activities of the other service component commands in the USINDOPACOM area of responsibility and is committed to the Oceania region.

Timor-Leste: Background and U.S. Relations Overview Timor-Leste (also known as East Timor), is one of the world's youngest nation-states, having gained its independence from Indonesia on May 20, 2002. This marked the end of more than three centuries of foreign rule, including over 300 years of Portuguese rule followed by 24
