

Ubl solar battery price in Belize

Will Belize Electricity compensate you for excess solar energy?

The hope is that through regulations, Belize Electricity Ltd will have to compensate you for excess solar energy flowing to the grid during the day and off-set it against the electricity you are drawing from the grid at night; however, the reality today is the opposite.

What are UBL solar batteries?

UBL Solar batteries are durable black polypropylene deep cycle batteries and come in the following sizes; EB50 50AH ,EB70 70AH and EB 100 100AH. These batteries are made of lead and antimony and are designed for cyclic use and application/deep cycle operations but not to be used in automobiles.

What does the Belize Chamber do?

Founded in 1920, the Chamber has been consistently championing the causes of its private sector constituency and considers among its primary objectives the social and economic development of Belize through the development of all sectors of industry, commerce and services.
